TV'S MIDSOMER MURDERS (THAME) & NT HUGHENDEN MANOR – NEW FOR 2025 BROCHURE

Nestled at the foot of the Chiltern Hills, Thame boasts historical buildings, beautiful parks, a Museum, a Theatre and a vibrant High Street. Like many traditional market towns, Thame grew from Anglo-Saxon roots but has since developed its own individual character whilst preserving its rich history; ancient medieval buildings stand alongside Georgian and Victorian architecture and the iconic boat-shaped high street stands as testimony to the market place for which it was originally designed. The town is also one of the most frequently used filming locations for the popular ITV series, Midsomer Murders. With 2 hours to explore, we make the short journey to our final visit – Hughenden Manor for 2.15pm. Once a home to Queen Victoria's favourite Prime Minister and friend Benjamin Disraeli, the manor provided a backdrop for political drama, royal visits, and an enduring love story. However, it has an equally significant 20th century story to tell in becoming the base for a top-secret map-making operation during the Second World War. A complementary talk has been arranged for 2.30.
