RAIL & SAIL INCLUDING CREAM TEA – NEW FOR 2026 BROCHURE

A new adventure to add to the portfolio, with Skipton Boat Trips and Embsay & Bolton Abbey Steam Railway... We head to Skipton for our first port of call with Skipton Boat Trips, where by 12pm, you'll be aboard the 59 foot-long canal boat, Cobbydale. You'll sail through beautiful countryside along the 18th century Leeds and Liverpool Canal. Whilst enjoying a complimentary tea or coffee with biscuits, this comfortable boat has all the facilities on board you could wish for, including a full bar with hot and cold drinks, central heating for those slightly nippy Yorkshire days, and full panoramic windows, allowing picturesque views of the areas you sail through. Accompanying you will be a guided commentary by comedian Dave Spikey, giving an informative and entertaining description of Skipton, the canals, and the local wildlife. Once your 1 hour cruise is concluded, you will have approx. 1½ hours free time before re-boarding the coach at 1445, where you can then jump forward in time and visit the lovingly restored Victorian and Edwardian Embsay & Bolton Abbey Steam Railway. Departing from Embsay Station at 1525, you'll travel in one of a number of vintage carriages of different eras and styles - whilst being served your delicious cream tea - with two time warp stations to explore at either end, each with little shops, cafes, and exhibitions.
